INDEPENDENT AUDITOR'S REPORT

To the Founders of  
THE CEO FOUNDATION

We have audited the financial statements of The CEO Foundation (the "Foundation") set out on pages 3 to 10, which comprise the statement of financial position as at March 31, 2014, and the statement of income and accumulated surplus and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

*Trustee's responsibility for the financial statements*

The trustee is responsible for the preparation of financial statements that give a true and fair view in accordance with the Hong Kong Financial Reporting Standard for Private Entities (the "HKFRS for Private Entities") issued by the Hong Kong Institute of Certified Public Accountants and for such internal control as the trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

*Auditor's responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liabilities to any other person for the contents of the report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the trustee, as well as evaluating the overall presentation of the financial statements.

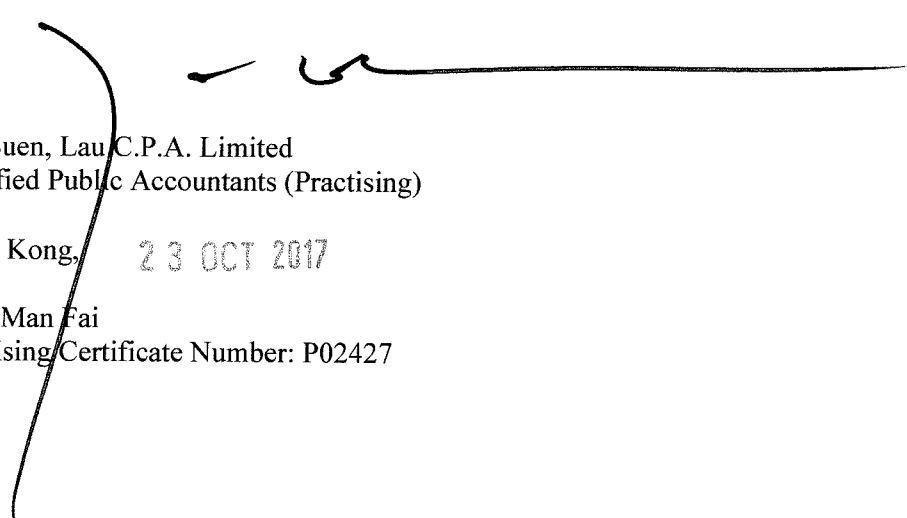

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

To the Founders of  
THE CEO FOUNDATION

*Opinion*

In our opinion, the financial statements give a true and fair view of the state of the Foundation's affairs as at March 31, 2014, and of its surplus and cash flows for the year then ended in accordance with the HKFRS for Private Entities.

THE CEO FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2014

(Expressed in Hong Kong Dollars)

---

1. GENERAL

The Foundation was a trust fund established by the trust deed signed between the founders and the trustee, The CEO Foundation Limited (formerly known as CJ Rockwell International Limited) on March 13, 2000. The address of its principal of operations is Unit 2612, 26/F., Tuen Mun Central Square, No. 22 Hoi Wing Road, Tuen Mun, New Territories, Hong Kong.

The principal activity of the Foundation is to carry out charitable activities in alignment to Christianity.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants (HKICPA). They have been prepared using the historical cost convention.

a. Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is charged so as to allocate the cost of assets less their residual values over their estimated useful lives, using the straight-line method. The following annual rates are used for the depreciation of property, plant and equipment:

Furniture and fixture	20%
Office equipment	20%
Motor vehicle	30%

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

THE CEO FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2014

(Expressed in Hong Kong Dollars)

---

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES - Continued

b. Impairment of assets

At each reporting date, property, plant and equipment are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount (selling price less costs to complete and sell, in the case of inventories), but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

c. Other receivables

Other receivables are recognised initially at the transaction price. They are subsequently measured at amortised cost using effective interest method, less provision for impairment. A provision for impairment of other receivables is established when there is objective evidence that the Foundation will not be able to collect all amounts due according to the original terms of the receivables.

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdraft is shown within borrowings in current liabilities on the statement of financial position.

e. Other payables and accruals

Other payables and accruals are initially measured at transaction price and subsequently measured at amortised cost using the effective interest method.

f. Revenue recognition

Donation income is recognised as income upon actual receipt of money.

Interest income is recognised using the effective interest method.

THE CEO FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2014

(Expressed in Hong Kong Dollars)

---

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES - Continued

g. Foreign currency translation

(a) Functional and presentation currency

Items included in the financial statements of Foundation is measured using the currency of the primary economic environment in which the entity operates (the functional currency). These financial statements are presented in Hong Kong Dollars, which is the Foundation's functional and presentation currency.

(b) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in profit or loss within "finance costs". All other foreign exchange gains and losses are presented in profit or loss within "other income" or "other expenses".

h. Employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material these amounts are stated at their present values.

The Foundation operates Mandatory Provident Fund retirement benefit scheme (the "MPF Scheme") under the Mandatory Provident Fund Schemes Ordinance, for those employees who are eligible to participate in the MPF Scheme. Contributions are made based on a percentage of the employees' relevant income and are charged to profit or loss as the Foundation become payable in accordance with the rules of the MPF Scheme. The assets of the MPF Scheme are held separately from those of the Foundation in an independently administrated trust fund. The Foundation's employer contributions vest fully with the employees when contributed into the MPF Scheme.

THE CEO FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2014

(Expressed in Hong Kong Dollars)

3. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENT

Estimates and judgment are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Foundation makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

**Useful lives of property, plant and equipment**

The Foundation's management determines the estimated useful lives and related depreciation for its property, plant and equipment. The estimates are based on the historical experience of the actual useful lives of property, plant and equipment of similar nature and functions.

4. PROPERTY, PLANT AND EQUIPMENT

	<u>Furniture and fixture</u>	<u>Office equipment</u>	<u>Motor vehicle</u>	<u>Total</u>
<u>Cost</u>				
As at 01.04.2013 and 31.03.2014	<u>41,078</u>	<u>150,850</u>	<u>106,154</u>	<u>298,082</u>
