**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF THE CEO FOUNDATION 主流夢工場基金**

Opinion

We have audited the financial statements of The CEO Foundation 主流夢工場基金 ("the Trust") set out on pages 4 to 11, which comprise the statement of financial position as at 31 March 2018, and the income statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the financial statements of the Trust are prepared, in all material respects, in accordance with the SME-FRS and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis of opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA's") and with reference to PN 900 (Revised) Audit of Financial Statements Prepared in Accordance with the SME-FRS issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Trustees are responsible for the other information. The other information included detailed income statement set out appendix I, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF THE CEO FOUNDATION 主流夢工場基金 (Continued)**

Responsibilities of Trustee for the financial statements

The Trustees of the Trust are responsible for the preparation of the financial statements in accordance with the SME-FRS and the Hong Kong Companies Ordinance, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees of the Trust are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with section 405 to 407 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.

INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF THE CEO FOUNDATION 主流夢工場基金 (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

1. General information

a. Trust Information

The CEO Foundation was a trust fund established by the trust deed signed between the founders and trustees, The CEO Foundation Limited on March 13, 2000. The address of its registered office and principal place of business is Room 1402, 14/F, 239 Temple Street, Jordan, Kowloon, Hong Kong. Its principal activity of the Trust is to carry out charitable activities in alignment to Christianity.

b. Reporting currency

Unless stated otherwise, all currency figures in these financial statements are presented in Hong Kong Dollars (HK\$) rounded to the nearest one dollar.

2. Basis of preparation

a. Statement of compliance

These financial statements comply with all applicable sections of SME-FRS and have been prepared under the accrual basis of accounting and on the basis that the Trust is a going concern.

b. Basis of measurement

The measurement bases used in preparing these financial statements are set out in note 3 to the financial statements.

3. Summary of significant accounting policies

All trustees of the trust agree in writing that the Trust is to fall within the reporting exemption for the financial year ended 31 March 2018 under section 359(1)(b) of the Hong Kong Companies Ordinance and is therefore entitled to prepare and present its annual financial statements in accordance with SME-FRS. These financial statements have been prepared in accordance with SME-FRS.

The followings are the specific accounting policies that are necessary for a proper understanding of the financial statements.

a. Revenue

Revenue is recognised as income when it is probable that the economic benefits associated with transaction will flow to the Trust and when the amount of revenue as well as costs incurred for the transaction can be measured reliably. Revenue is measured at fair value of the consideration received or receivable and is shown net of discounts, rebates and returns on the following bases.

(i) Donation income

Donation income are recognised as income upon receipt.

THE CEO FOUNDATION

主流夢工場基金

ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

3. Summary of significant accounting policies (continued)

a. Revenue

(ii) Bank interest received

Bank interest received is recognised on a time proportion basis taking into account the principal outstanding and the interest applicable.

(iii) Other income

Other income is recognized in the accounts on a receivable basis.

b. Plant and equipment

Plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The depreciable amount of an item of plant and equipment is allocated on a systematic basis over its estimated useful life using the straight-line method. The principal annual rates used for depreciation are as follows:

Furniture, fixtures and equipment	20%
Office equipment	20%
Motor vehicle	30%

c. Leases

Leases that retain substantially all the risks and rewards incidental to ownership of the leased assets by the lessor are accounted for as operating leases. Lease payments under an operating lease are recognised as expenses on a straight-line basis over the lease term. All incentives for agreement of a new or renewed operating lease are recognised as an integral part of the net consideration agreed for the use of the leased assets. The aggregate benefit of incentives is recognised as a reduction of rental expenses over the lease term.

d. Trade and other receivables

Trade and other receivables are stated at estimated realisable value after each debt has been considered individually. Where the payment of a debt becomes doubtful a provision is made and taken in the income statement.

e. Foreign currency translations

The reporting currency of the Trust is Hong Kong Dollar. Foreign currency transactions are translated into the reporting currency at the approximate rates of exchange ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies at the end of the reporting period are translated at the approximate rates of exchange ruling at that date. Exchange differences arising on the settlement of monetary items or on translation of foreign currency monetary assets and liabilities are recognised as income or expenses.

THE CEO FOUNDATION
主流夢工場基金

ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

3. Summary of significant accounting policies (continued)

f. Impairment of assets

An assessment is made at the end of each reporting period to determine whether there is any indication of impairment or reversal of previous impairment, including items of plant and equipment. In the event that an asset's carrying amount exceeds its recoverable amount, the carrying amount is reduced to recoverable amount and an impairment loss is recognised in the income statement. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount, however not to an amount higher than the carrying amount that would have been determined (net of amortisation or depreciation), had no impairment losses been recognised for the asset in prior years.

g. Employee benefits

i) Paid leave carried forward

The Trust provides paid annual leave to its employees under their employment contracts on a calendar year basis. Under certain circumstances, such leave which remains untaken as at the reporting date is permitted to be carried forward and utilised by the respective employees in the following year. An accrual is made at the reporting date for the expected future cost of such paid leave earned during the year by the employees and carried forward.

ii) Retirement benefits costs

The Trust operates a defined contribution Mandatory Provident Fund retirement benefits scheme in Hong Kong (the "MPF Scheme") under the Mandatory Provident Fund Schemes Ordinance, for those employees who are eligible to participate in the MPF scheme. Contributions are made based on a percentage of the employees' basic salaries and are charged to the income statement as they become payable in accordance with the rules of the MPF Scheme. The Trust's employer contributions vest fully with the employees when contributed into the MPF Scheme.

4. Revenue

An analysis of the Trust's revenue is as follow:

	<u>2018</u> <u>HK\$</u>	<u>2017</u> <u>HK\$</u>
Donation received	1,355,505	1,717,822
Project income	353,789	986,103
	<u>1,709,294</u>	<u>2,703,925</u>
